TRAVEL AGENCY

If you will like to engage with a Travel Agency to play your trip to attend ATIGS 2018, or considering a vacation at another city before and after the summit, we recommend you use World Travel Service.

World Travel Service is a world-class corporate and leisure travel agency with seven offices in the mid-Atlantic region, including one on 18th Street in Washington, DC. World Travel Service provide comprehensive travel management, covering every aspect of your travel experience: itineraries, booking flights reserving accommodations, and planning activities. In addition to getting the best fares and rates that make sense for your travel needs, World Travel Service provide you with a range of value-added benefits that you simply won't find anywhere else.

Your Corporate Travel Client Benefits Include:

- A dedicated agent assigned to your account
- Standard and custom corporate reports, along with access to secure online financial reporting
- Credit card reconciliation
- Unlimited changes (no charge for changes prior to ticket issuance)
- Completion of ticket voids
- \$200,000 in free flight insurance
- FareCk™ low fare search engine
- ECK™ tracking module for unused electronic tickets
- QualityCk™ quality assurance program
- SeatFinder™ module for hard-to-find seats
- WebCk™ (searches over 140 websites for added savings)
- Travel-24™ emergency support available worldwide, 24/7
- Re-View™ latest technology in travel management reporting industry
