A Discussion on Canada-Africa Business

Join Us

....

You are cordially invited by the **Governments of Canada and Québec** to attend a specialized event discussing new opportunities in renewable energy, clean tech and services related to climate change.

The event will include speakers well-versed on the current state of the industry.

Participants are expected from Africa who will meet Canadian companies attending the Africa Trade and Investment Global Summit.

After the presentation, we will be hosting a brief networking reception between Canadian companies as well as the present African delegations.

WHAT:

A seminar addressing business opportunities in renewable energy, clean tech and services associated with climate finance.

WHERE:

Polaris Suite BC of the Ronald Reagan Building
