

ATIGS

Invitation: Africa Tech Summit Washington DC – June 26th 10am – 12.20pm

Dear Colleague:

On behalf of the [Africa Tech Summit Kigali](#) and [London](#) which connects tech leaders, corporates, investors and start-ups we invite you to attend a special **Africa Tech Summit Washington** session at the Africa Trade & Investment Global Summit on June 26, 2018 from 10:00am – 12:20pm Room: Hemisphere A.

Africa Tech Summit Washington D.C. will provide insight on the African tech landscape for corporates, investors and entrepreneurs. Learn from expert speakers with passion, knowledge and experience from across Africa who will share key insights, opportunities and trends from the African tech ecosystem.

The Summit will cover

- Corporates & Start-ups: Partnerships of Possibility –Saidah Nash Carter – Thomson Reuters
- Blockchain Technology Empowering African Trade & Economic Development –Sinclair Skinner – Bitmari
- Yegomoto – Moving people, enabling business – Karan Singh – Yegomoto
- Remittance as Impact Leveraging the diaspora to fund Africa’s digital transformation –Ibrahima Soumano – Seditoo
- Panel Discussion: The African Tech Opportunity – Hype vs Reality

This session will be geared towards delivering real insights from corporates and start-ups making things happen within the African tech space and will include interactive panel debate providing attendees the ability to get involved.
